

## Oversigt postere årsmøde 2010:

- 1. The influence of sacral nerve stimulation on gastrointestinal motor function in patients with fecal incontinence** Morten Damgaard<sup>1</sup>, Frederik Gustav Thomsen<sup>2</sup>, Michael Sørensen<sup>2</sup>, Stefan Fuglsang<sup>1</sup> and Jan L. Madsen<sup>1</sup> Department of Clinical Physiology and Nuclear Medicine<sup>1</sup> and Department of Gastric Surgery<sup>2</sup>, Hvidovre Hospital, Faculty of Health Sciences, University of Copenhagen, Denmark
- 2. Samarium-153 behandling af smertefulde knoglemetastaser ved metastaserende prostatakræft** Lars. J. Petersen, Lars Lund, Morten Jønler, Mette Jakobsen, Jan Abrahamsen.. Viborg
- 3. Behandling af smertefulde knoglemetastaser ved metastaserende brystkræft med radionuklider.** Mette H. Christensen, Lars J. Petersen. En systematisk oversigt. Viborg
- 4. A novel model of inflammatory pain in human skin involving topical application of sodium lauryl sulfate.** Lars J. Petersen, Ann Marie Lyngholm, Lars Arendt-Nielsen. Viborg
- 5. TIVI polarization spectroscopy method for assessment of pharmacologically induced vascular reactions in the skin.** Lars. J. Petersen, Ann-Marie Lyngholm, Helle D. Zacho, Lars Arendt-Nielsen. Viborg
- 6. Is gold thrown onto the street? (A study on residual activity of 18F-FDG in syringes with different volume)** A. Larsen, K. J. Birch, M. Lonsdale, Bispebjerg Hospital Copenhagen Denmark
- 7. O2C – Oxygen to see.** Reservelæge Nikolaj Hancock, Klinisk Fysiologisk og Nuklear Medicinsk Afdeling, Bispebjerg Hospital
- 8. The diagnostic value of 2D-strain stress echocardiography in chest pain patients with suspected coronary artery disease** JA Ejlersen MD<sup>1,2</sup>, J Mortensen MD<sup>2</sup>, SH Poulsen DMsc<sup>3</sup>, O May PhD<sup>1</sup> *Cardiovascular Research Unit and* <sup>2</sup>*Dept. of Nuclear Medicine Herning Regional Hospital,* <sup>3</sup>*Dept. of Cardiology, Aarhus University Hospital, Skejby Sygehus*
- 9. Quality assurance.** Susanne Kristiansen, Annette Nielsen  
Department of Nuclear Medicine, Aalborg Hospital
- 10. CARDIAC FUNCTION IN PATIENTS WITH MILD CIRRHOSIS. RESULTS OF A DOBUTAMIN STRESS MRI STUDY.** Aleksander Krag<sup>1,2</sup>, Flemming Bendtsen<sup>2</sup>, Andreas Kjær<sup>3</sup>, Claus Leth Petersen<sup>3</sup>, Søren Møller<sup>1</sup>. Departments of Clinical Physiology<sup>1</sup> and Gastroenterology<sup>2</sup>, Hvidovre Hospital and Department of Clinical Physiology, Frederiksberg Hospital, Faculty of Health Sciences, University of Copenhagen
- 11. Adiponectin And New-Onset Hypertension: The Copenhagen City Heart Study.** . C. Asferg<sup>1</sup>, UB. Andersen<sup>1</sup>, JL. Marott<sup>2</sup>, R. Møgelvang<sup>3</sup>, A. Flyvbjerg<sup>4</sup>, J. Frystyk<sup>4</sup>, JS. Jensen<sup>3</sup>, M. Appleyard<sup>2</sup>, GB. Jensen<sup>5</sup>, J. Jeppesen<sup>1</sup>. <sup>1</sup>*Copenhagen University Hospital, Glostrup.* <sup>2</sup>*Copenhagen University Hospital, Bispebjerg.* <sup>3</sup>*Copenhagen University Hospital, Gentofte.* <sup>4</sup>*Aarhus University Hospital.* <sup>5</sup>*Copenhagen University Hospital, Hvidovre.*
- 12. Increased secretion of GLP-1 mediated by a newly discovered ligand for GPR119.** Katrine B. Hansen<sup>1,2</sup>, Filip K. Knop<sup>3</sup>, Niels W. Andersen<sup>4</sup>, Thi A. Diep<sup>4</sup>, Mette M. Rosenkilde<sup>5</sup>, Ulrik B. Andersen<sup>1</sup>, Jens J. Holst<sup>2</sup> and Harald S. Hansen<sup>4</sup>. <sup>1</sup>Department of Clinical Physiology, Glostrup Hospital; <sup>2</sup>Department of Biomedical Sciences, the Panum Institute; <sup>3</sup>Department of Internal Medicine F, Gentofte Hospital; <sup>4</sup>Department of Pharmacology and Pharmacotherapy, Faculty of Pharmaceutical Sciences; and Department of <sup>5</sup>Neuro Science and Pharmacology, the Panum Institute; University of Copenhagen, Copenhagen, Denmark
- 13. Cerebral blodgennemstrømning før og efter TIPS hos cirrotiske patienter.** Peter Iversen<sup>1,2</sup>, Susanne Keiding<sup>2,3</sup>, Kim Mouridsen<sup>4</sup>, Peter Ott<sup>3</sup> og Hendrik Vilstrup<sup>3</sup>. <sup>1</sup>Nuklearmedicinsk afdeling <sup>2</sup>PET Center, <sup>3</sup>Medicinsk afdeling V, <sup>4</sup>Centre of Functionally Integrative Neuroscience (CFIN), Aarhus Universitetshospital
